Holidays with The Henley Bridge School

The Henley Bridge School organises welcoming and enjoyable Bridge holidays in England and France. The Bridge is relaxed and sociable, with a mix of teaching and play, and is complemented by the holiday activity or theme - such as skiing, walking, wine-tasting, or historic and cultural destinations.

The holidays are hosted by Jon Green, a former junior international Bridge player and now an experienced full-time teacher.

The Henley Bridge School only travels to the best destinations and insists on the exclusive use of luxury venues with the finest cuisine. Restricted group sizes create a relaxed and welcoming atmosphere. All travel arrangements are made with your convenience in mind.

Taken together, we believe this is the ideal approach for a fantastic holiday and enjoyable Bridge.
