RE:TUES EVENING BRIDGE

We have secured The Red Lion on Tuesdays 7- 9.30pm to operate a social bridge night with a commitment from Jon for one evening a month presenting a short lesson followed by supervised play (its current format).

A number of volunteers have offered to set up the room to accommodate the evenings to go ahead.

It is proposed we have an annual subscription of £15.00 per person. Please bring your sub. on the first night you attend, **cash please**. The annual start date will be 10 June 2014. This money will help to cover the room hire etc. Each evening play will be £5.00 and on the night Jon does the tuition /assisted play, £10.00.

Parking restrictions still apply, if you wish to park in the hotel car park a charge of £5 will be taken by them. There is ample free parking in Waitrose car park.

This will not run as a profit making venture and in the event of any surplus money, we could arrange further tuition or competition nights.

In order for this venture to proceed we need a commitment of at least two tables every session. Please let us know whether you are interesting in supporting this project. An early response would be welcome as we would like to start on the 10th June 2014. Sue Waddington will set up a data base of contacts and numbers, so please email her your thoughts and commitment to the project: suewaddington@yahoo.co.uk.

The aim is to have a friendly supportive environment of mixed abilities and the love of the game of bridge.

In anticipation for your support,

Many thanks.
